

# MONTHLY NEWSLETTER

## OFFICE OF INTERNATIONAL AFFAIRS

Wednesday, April 23, 2025

Vol. 2

This monthly newsletter brings the world to your fingertips by highlighting international activities and opportunities for DYPIU students, staff and Faculty. We will be sharing this newsletter every two weeks on Fridays. The Office of International Affairs, DYPIU is actively working to enhance Faculty and student mobility programs that would provide opportunities for Faculty and students to gain practical skills, global exposure, and valuable experience in their fields.

## HIGHLIGHTS FROM ACTIVITIES

### Visit by Mr. Deepak Luthra, Director, Global Engagement Office, Griffith College, Ireland April 4, 2025

Mr. Deepak Luthra, Director, Global Engagement Office, Griffith College, Ireland engaged with Faculty and students during his visit to DYPIU. Students enjoyed his friendly and informative sessions where he provided a detailed view into Ireland's economy, job prospects and shared his personal experiences. His topic "From Classroom to Career: Higher Education & Work Opportunities in Ireland." was indeed a hit!

Mr. Luthra also took time to meet with our Faculty to discuss about scope for collaboration including student and Faculty exchange programs between DYPIU and Griffith College. We propose to collaborate with Griffith in the fields of Management, Engineering and Media.

Griffith College ranks 239 among the Best Global Universities. Founded in 1974, Griffith College is Ireland's largest independent third-level institution, with campuses in Dublin, Cork, and Limerick. Griffith offer Master's degrees in Pharmaceutical Science, Business, Law, Computing, Media, Psychology, and more, focusing on advanced knowledge and practical experience for career progression. To know more about Griffith College visit: <https://www.griffith.ie/>

## Session with Mr. Pei-Chih Lin (Peter) Director of International Affairs Center, Taiwan Steel University of Science and Technology April 11, 2025

Mr. Peter Lin, Director, International Affairs Center, made a presentation to students about opportunities in Taiwan Steel University of Science and Technology. He described the INTENSE (International Industrial Talents Education Special Program) launched by Taiwan's Ministry of Education in 2024 to attract international students to study and work in Taiwan. The INTENSE fellowship prioritizes STEM (Science, Technology and Engineering) fields and provides tuition subsidy and various other incentives for students to study in Taiwan.
