Dear SoD Faculty Members,

Greetings!

As discussed with the IQAC Director, the **Attainment Calculation Session** for the **School of Design and School of Applied Arts** has been scheduled as per the following details:

Date - 11th June 2025**Time** - 11 AM**Venue** - DYPIMER Boardroom

This session will focus on the **systematic calculation of Course Outcomes (CO) and Program Outcomes (PO) attainment**, using sample data for clarity. It is essential to ensure **uniformity and accuracy** in attainment reporting.

Following the session, we will begin the actual attainment calculations. Faculty members will be assigned the modules they have previously conducted, along with additional modules where necessary, to ensure there are no gaps in the process.

Important Note -

This will be a **hands-on session**. All attending faculty must **bring a laptop** to perform the calculations during the session.

Your participation is importance and attendance will be recorded. Please make arrangements to attend without fail.

*Best regards,***Krishna Kumar**

Assistant Professor, School of Design
