AY 2024-25	Faculty Orientation for NAAC	Date of Preparation 06/01/2025

NOTICE

DYPIU is applying for NAAC accreditation in this academic year 2024-25. It is necessary for all faculty members to understand the guidelines, processes, and best practices for NAAC accreditation. An Orientation Program for all faculty of DYPIU is scheduled on Saturday, 11.01.2025. This program will help in enhancing DYPIU's preparedness and aligning all faculty with the accreditation standards. The speakers are DYPIEMR faculty who have recently undergone NAAC successfully. They will explain all the criteria requirements and supporting documentation as per NAAC standards. Following are the resource persons for the orientation program

Criteria No	Criteria	Name of the Resource Person
	Preamble	Dr Sunil Dambhare
1	Curricular Aspects	Dr Priya Charles Mrs B Laxmiprabha
2	Teaching-Learning and Evaluation	Dr Nalini Jagtap
3	Research, Innovations and Extension	Dr Ajay Paithane
4	Infrastructure and Learning Resources	Dr Aniket Kolekar
5	Student Support and Progression	Dr Keval Nikam Dr Suvarna Patil
6	Governance, Leadership and Management	Dr Shailesh Ghodake Dr Ajay Paithane
7	Institutional Values and Best Practices	Dr Utkarsh Maheshwari Dr Sunil Dambhare

All faculty members are informed to attend the session without fail. Your participation is important to ensure a smooth approach to satisfy NAAC requirements.

Date : 11.01.2025

Venue : Seminar Hall, DYPIEMR

Time : 10.30 am to 03.30 pm

Dr Sunil Dambhare
Director IQAC

1. Objectives of the Event

The objective of a **Faculty Orientation Program on NAAC (National Assessment and Accreditation Council)** is to prepare and empower faculty members to actively participate in the accreditation process and ensure alignment with NAAC's quality benchmarks for higher education institutions. Below are the specific objectives:

- Understanding NAAC Accreditation
- Enhancing Quality Standards
- Documentation and Reporting
- Promoting Institutional Excellence
- Research and Innovation
- Fostering Teamwork and Ownership
- Strengthening Governance and Leadership

By the end of the orientation program, faculty members should:

- Be well-versed in NAAC processes and criteria.
- Be equipped to actively participate in preparing documentation and implementing quality initiatives.
- Feel empowered to contribute to the institution's accreditation success and overall quality enhancement.

3. Key Insights from the Orientation Program

Key insights from the Faculty Orientation Program on NAAC for faculty members are as follows:

1. Enhanced Understanding of NAAC Accreditation

- Comprehensive understanding of the NAAC accreditation framework, including objectives, processes, and significance.
- Awareness of the Criteria of NAAC manual and their impact on institutional quality.

2. Improved Documentation and Data Management Skills

- Effective collection and presentation of data as required for the Self-Study Report (SSR) and IIQA.
- Documentation expected by Data Validation and Verification (DVV) processes and compliance with NAAC standards.

3. Strengthened Contribution to University Quality

- Role of Faculty in improving teaching-learning process, research initiatives, and student support systems.
- Aligning individual activities and School efforts with university quality benchmarks.

4. Collaboration and Teamwork

- Improved collaboration and teamwork among faculty members across schools to achieve institutional goals.

4. Target Audience and Number of Participants attended.

Target Audience: All DYPIU Faculty

Number of Participants: 86

How would you rate the duration of the orientation program?

39 responses

What aspects of the orientation did you find most useful?

- Yes
- Criteria 1 & 2
- Sample documents showed in the criteria 5
- Points to be focused on present, and roles of individual faculties
- Sub criteria well explained. Case studies was included.
- Proper explanation
- Clear overview of expectations
- The major components related to all the Criterias and the requirements for relevant documentation and proofs discussion are most beneficial during the orientation program.
- Research and Development
- Overall guidance was good. Specially by Dr. Sunil Dhambare Sir and Dr. Anupama Patil Maam.
- Provided all the details and gave a complete understanding of the NAAC process
- Suggestions to Manintain data
- All 7 criteria
- Each criteria wise detail explanations
- Showcasing with case studies
- clear explanation of all metrics of all criterias , document requirement and usecases.
- Content discussed related to all criteria
- Easy explanation
- Expected documentation to be maintained.
- NA
- Clear explanation
- Beautiful explanations
- Nicely covered every aspect of every criteria

Academic Year: 2024-25	Internal Quality Assurance Cell		Date of Preparation : 14/01/2025
	Faculty Orientation for NAAC		

- Depth of understanding of the presenters
- It was informative
- Everything was within context.
- All NAAC Criteria presented properly and effectively by session coordinator.
- Documentation required
- Revised NACC grading system information
- Criteria 2 was explained well.
- To the point information
- Required documentation
- All speakers have given detail explanation about requirements of each criterion.
- The way all the criteria was explained was very helpful for understanding the process, also relation of different aspects of teaching learning with the NAAC was understood.
- Discussion on Key points
- The content and the right amount of explanation associated to it. I liked that the focus was maintained through the orientation keeping the audience in mind.
- All Criterion are clarified very well .
- Providing Sample Document
- Docs required

Any additional comments or suggestions?

- No
- NA
- -
- It has cleared All doubts
- Beneficial for enhancing accreditation understanding, especially among newcomers.
- Very sincere efforts taken by all the criteria experts to explain everything in detail.
- Expected discussion over faculty salary and promotion policy
- Lets work hard to get A Plus
- Excellent
- Kindly conduct separate criteria-wise orientation 2 Hours each per day for the same, enabling us to work in a more detailed and organized manner.
- Overall Excellent
- Must organise such FDPs
- Good workshop
- Event was too long either we can have in 2 days or online. As we were not able to do our department assigned work.
- None

- I appreciate the effort put into making the orientation engaging and informative. It provided a solid foundation to understand the NAAC process, expectations, and workflows. I feel more confident about starting my role and look forward to contributing effectively.
- nice
- Overall orientation program is well organised.
- Beautiful explanation about the new additions of NAAC requirement and how to ho about them.
- More sessions to be organized
- We can also include common mistakes done while submitting data which can be avoided.
- It was quite informative.
- No.
- No suggestion
- Thanks for conducting such an effective session and bringing each and every faculty on the same page.
- Share the PPt and Sample Document Format
- Pls share ppt to know criteria wise docs required
