SCHOOL OF DESIGN

(SoD)

The School of Design is dedicated to nurturing creative minds and fostering innovation through its comprehensive Bachelor of Design (B. Des) program. Our curriculum blends theory with practice, ensuring students develop strong conceptual foundations while engaging in real-world design challenges.

Vision

To cultivate a dynamic and future-ready design ecosystem that inspires creativity, innovation, and research-driven practices, empowering learners to design for impact across local, national, and global contexts.

Mission

- ◆ To foster an inclusive, hands-on learning environment that promotes critical thinking, collaboration, and innovation.
- ◆ To nurture responsible designers equipped to address real-world challenges with empathy and creativity.
- ◆ To integrate research, technology, and industry engagement to boost employability and entrepreneurship.

Programs Offered :

B. Des.
