SCHOOL OF BIOSCIENCES & BIOENGINEERING

(SoBB)

Established as a premier hub for innovation, the School of Biosciences and Bioengineering bridges the gap between technology, basic sciences, and biology. Our curriculum is designed to provide futuristic technological training to life sciences students through a synergy of research-led teaching and practical application.

Vision

Creating technologically equipped action leaders of Future in a wide range of spheres by providing the best-quality experiential training and value-based education

Mission

- ◆ To impart futuristic transformative education in trending areas of bioengineering, by creating an atmosphere of hands on experiential learning, cutting edge technology, promoting interdisciplinary learning and analytical thinking. We aim to empower students to become technology creators than mere users.

Programs Offered :

B. Tech. - BioEngineering

Eligibility:

Passed 10+2 examination with Physics/Mathematics/Chemistry/ Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/Entrepreneurship and Obtained at least 45% marks (40% marks in case of candidates belonging to the reserved category) in the above subjects taken together.

OR

Passed Diploma/ D.Voc. Stream in the same or allied sector

B.Sc. - Forensic Sciences (Hons.)

Eligibility:

Passed 10+2 examination from any board with science, maths, and computer science, a recognized Board with Physics or Mathematics or Botany or Zoology as ancillary subjects with 60% of marks.

M.Sc. - Medicinal Chemistry

Eligibility:

Bachelor's degree in Chemistry, Applied Chemistry, Pharmaceutical Sciences, or Life Sciences, or Applied Science from any recognized university with Physics or Mathematics or Botany or Zoology as ancillary subjects. Obtained at least 50% marks (45% marks in case of candidates belonging to the reserved category as per Maharashtra state government rules)) in the qualifying examination.

M.Sc. - Medical Biotechnology

Eligibility:

Passed a Bachelor's Degree or equivalent. Obtained at least 50% marks (45% marks in case of candidates belonging to the reserved category as per Maharashtra state government rules)) in the qualifying examination.

Why Choose Us ?

- **Experiential Learning:** Students engage in individual and group projects throughout their coursework, fostering a culture of "learning by doing."
- **World-Class Infrastructure:** Our well-equipped laboratories are designed for high-level practical training in molecular medicine, diagnostics, and therapeutics.
- **Industry Readiness:** Through strategic industry collaborations, seminars, and hands-on projects, we ensure our graduates are prepared for the global biotech workforce.
- **Cutting-Edge Curriculum:** Specialized coursework covering Nanobiotechnology, Clinical Biochemistry, and Cell/Tissue Engineering.

Prof. (Dr.) Manish Bhalla

Vice Chancellor
D.Y.Patil International University
Akurdi,Pune

D Y Patil International University (DYPIU), Akurdi, Pune, has swiftly emerged as one of India's leading centers for academic excellence and innovation. Established in 2018 and recognized by the UGC and Government of Maharashtra, DYPIU is known for its world-class academic offerings across engineering, management, design, biotechnology, medicinal chemistry, forensic science, media, and liberal arts.

The university is deeply invested in developing future-ready professionals through a rigorous, modern curriculum, strong research culture, and a dynamic learning environment enriched with

Our USP's

- Future proof Trendsetting Curriculum
- Innovative Multi-Track system appreciated by AICTE
- Design Thinking with FabLab by AICTE
- Project-based Learning
- Undergraduate Research
- Rural & Industry Internship
- Best International Practices with Team Teaching
- Lab in Bag to promote experiential learning
- Focus on Job creators rather than Job-Seekers
- Emphasis on Learning to Learn

UG/PG Programs

- B.Design
- B.Sc. (Hons.) – Economics
- B.Sc. (Hons.) – Forensic Sciences
- B.Tech. – Bioengineering
- B.Tech. – Chemical Engineering
- B.Tech. – Civil Engineering
- B.Tech. – Computer Science and Engineering
- B.Tech. – Computer Science and Engineering in Artificial Intelligence & Machine Learning in association with IBM
- B.Tech. – Computer Science and Engineering in Cyber Security and Forensic in association with IBM
- B.Tech. – Mechanical Engineering
- B.Tech. – Semiconductor Engineering
- BA (Hons.) – Journalism & Mass Communication
- BA (Hons.) – Liberal Arts
- BBA (Hons.)
- BCA (Hons.)
- BFA
- M.Sc. – Medical Biotechnology
- M.Sc. – Medicinal Chemistry
- M.Sc.– Computational Mathematics
- M.Tech. – Computer Science and Engineering in Quantum Computing.
- MA – Journalism & Mass Communication
- MBA – Digital Business
- MBA – Executive
- MCA
- Ph.D.
