## **Position of Project Assistant** (Stipend-based temporary position)

Optimizing Graph Neural Network Training with Fréchet Derivatives

Grant Number: CISR/2025SEPT/SM/

Applications are invited from motivated and qualified candidates for the position of Project Assistant in the research project titled “ Optimizing Graph Neural Network Training with Fréchet Derivatives”, sanctioned for a total duration of two years. The appointment will be made initially for one year, extendable based on performance and project requirements.

### **Qualifications And Skills:**

- Master's degree in Computer Science, Mathematics, Statistics, or B.Tech (CSE/AI/ ML/DS) or a related field with at least 55% marks or equivalent.
- Strong coding skills (Python preferred) with experience in ML/DL frameworks, data handling, experiments, performance analysis, and computational tools (SageMath, Magma).
- Ability to conduct literature reviews, assist in data analysis, and prepare research reports.
- Familiarity with academic writing, documentation, and LATEX.

### **How to Apply:**

Interested candidates are requested to send their complete Curriculum Vitae (CV) along with a brief cover letter highlighting their research interests and suitability for the position to the Principal Investigator via email.

**Email: [vandna.srivastava@dypiu.ac.in](mailto:vandna.srivastava@dypiu.ac.in)**

Note: Candidates will be shortlisted based on qualifications and experience; only shortlisted candidates will be called for an interview. No TA/DA will be provided for attending the interview.
