1. VC Desk

Dear Parent and Candidate,

Welcome to D Y Patil International University, Akurdi, Pune. As a new age University in a well-established campus, we are acutely vigilant about the recent technological interventions in all walks of life. Thus, with our feet firmly grounded and heads above the clouds, we have introduced a unique program "B. Tech - Computer Science and Engineering" in the academic year 2019-20, which offers a next-generation curriculum integrally digitized. Curriculum is well appreciated and endorsed by AICTE. We are set to introduced another unique program B. Tech (Bio-engineering) which is a four-year full-time course with multi track specialization option in four emerging technologies under School of Bioscience and Bio engineering. Besides, the Curriculum for our other Programs viz: Design, Biotech, Media & Journalism, Computer Application, Management, etc. are digitally aligned so that we equip our graduates with Skill Sets required by Industry 4.0. Our Key Result Area being INNOVATION & ENTREPRENEURSHIP would enable our graduates to be Job Creators rather than Job Seekers.

2. About DYPIU

D.Y. Patil International University, Akurdi, Pune (DYPIU) has become operational in 2018 as a State Private University and has rolled out with a fundamental mission of covering a [remarkable milestone of Higher Education in India](#). It further aims to convert itself into a Private University of global value by developing socially relevant and contemporary outcome-based programs, carrying out inter and intradisciplinary research in thrust areas, enhancing the scope of collaborations for research, and boosting faculty and student exchange programs worldwide. Also, by its acute focus on empowerment through Education and Academic Excellence, it aspires to provide an inspirational and experiential learning environment for its stakeholders and is also keenly responsive towards serving the prerequisites of the Industry and society by embedding internationalization, employability, and value ruminating in all its programs. The DYPIU, Akurdi has been awarded the "Best Academic Innovative Curriculum Award" by All India Council of Robotics and Automation.
